

## BRIEF CURRICULUM VITAE

**Maria Moutzouri PhD, MSc, PT**

Post-Doctoral Researcher, Physiotherapy Dept, UNIWA

[moutzouri@uniwa.gr](mailto:moutzouri@uniwa.gr)

**Dr. Maria Moutzouri** is a Post-Doctoral Researcher in the Department of Physiotherapy of the University of West Attica, Greece. She graduated from the Physiotherapy Department of the Technological Educational Institute of Lamia (2004). She has completed an MSc in Manipulative Therapy at Coventry University (2008), where she was accredited the 'manual therapist' title. In 2019 she completed her PhD from Queen Margaret University on the sensori-motor training of patients undergoing total knee replacement.

Her research experience and interests are in the areas of musculoskeletal physiotherapy, chronic pain as well as in the development of valid and reliable outcome measures within Greece. She has published series of research papers (mainly in the aforementioned fields) in scientific journals (10 full publications in Medline).

She serves as a member of various scientific and professional bodies, such as the Panhellenic Physical Therapy Association (PPTA), which is a member of the World Confederation of Physical Therapy), Chartered Society of Physiotherapy (CSP), Musculoskeletal Association of Chartered Physiotherapists (MACP).
