

## Brief Curriculum Vitae

**Petros Tatsios PhD c., MSc, PT**

[ptatsios@uniwa.gr](mailto:ptatsios@uniwa.gr)

**Petros Tatsios** is a PhD candidate since September 2020 at the Physiotherapy Department of the University of West Attica. His dissertation topic is entitled: “The impact of manual therapy in the cervical spine and diaphragm in conjunction with respiratory exercises and breathing re-education in patients with non specific chronic neck pain”, Departmental Assembly Decision Num. 18/03.09.2020. In parallel, he is working clinically in his private physiotherapy clinic in Glyfada.

On 21/10/2003 he graduated from the School of Health and Caring Professions, Technological Educational Institute (T.E.I.) of Athens, Greece. His research and clinical interests lie in the field of Musculoskeletal Physiotherapy and he specializes in Manual Therapy.

On 07/02/2010 he successfully completed the Clinical Education Program of the Scientific Subgroup “Orthopaedic Manipulative Physiotherapy OMT GREECE” of the Panhellenic Physiotherapy Association and since 2013 he is also a Clinical Instructor in Manual Therapy.

On 04/05/2020 he was clinically certified as “Dry Needler” from David G. Simons Academy in Dry Needling.

On 03/10/2020 he attended the Mulligan Manual Therapy Clinical Training program and became a “Certified Mulligan Practitioner”.

On June 2005 he graduated (degree) in “Metabolic Disease of the Bones” Master of Science at the National Kapodistrian University Medical School of Athens

On 15/01/2018 he completed the “Education of Adult’s Instructors” Program at the National Kapodistrian University of Athens

On 16/07/2018 he graduated in “Clinical Ergospirometry, Exercise Advanced Technology and Rehabilitation” Master of Science at the National Kapodistrian University Medical School of Athens

He has participated in numerous (>20) conferences and courses in Greece as a guest speaker or as an attendant abroad. Also, he has a relevant publication in the field of musculoskeletal physiotherapy in an international peer-reviewed journal.
